Discussion Questions

1) What word or phrase stuck out to you in this passage? Did these verses raise any questions as you read?

2) Read verses 6-8. Why do you think Abraham responded to Isaac's question like this? Was there a time that God provided for you as you stepped out in faith? Please share.

3) Why did God test Abraham's faith this way?

4) Abraham was willing to trust God with his most precious possession: his own son. God was going to teach Abraham the importance of trusting the promise, but more importantly the promise giver. Where in your life do you need to not only trust the promise, but also the promise giver?

5) What in this passage helped you see more of Jesus and his cross, or what moved you to love him more?
