

# Life Group Discussion Questions

Sunday, September 18th, 2022

*Romans 5:1-11*  
*Pastor Joshua Shively*

## ICE BREAKER QUESTION:

What are the advantages and disadvantages of being your height?

## HEAD

*These questions will help us understand what the scripture teaches (who God is, what He's done, who we are, and how we should live).*

- 1) What stood out to you in this section of scripture or from Sunday's sermon?
- 2) What does Romans 5:1-11 show us about finding peace and rest in Jesus?

## HEART

*These questions will be geared towards shaping our hearts in light of the gospel. Our goal will be to align what we know with what we believe in our hearts.*

- 3) How does God's love for you help you practice resilience in your life?
- 4) What does it mean to be reconciled to God? How would you describe your reconciliation to Christ to someone else?

## HANDS

*This question will be geared towards us responding to the passage by allowing the Holy Spirit to change the way that we live.*

- 5) How does the truth of God's actions toward us, as described in Romans 5:1-11, inspire us to love the Lord and our neighbor? How can you live in light of this truth this week?
