Galatians 5:1-6
Pastor Nate Holdridge

ICEBREAKER QUESTION: When was the last time you were stuck or trapped somehow?

HEAD

These questions will help us understand what the scripture teaches (who God is, what He's done, who we are, and how we should live).

- 1) What stood out to you in this section of scripture or from Sunday's sermon?
- 2) How does freedom from the law set us up to stand firm in our faith?

Going Deeper: How does Paul suggest that the law prevents liberty?

HEART

These questions will shape our hearts in light of the gospel. Our goal will be to align what we know with what we believe in our hearts.

- 3) According to this passage, how are faith and freedom related?
- 4) What aspect of our freedom in Christ described in this passage or in the sermon inspires you most?

HANDS

This question will be geared towards us responding to the passage by allowing the Holy Spirit to change how we live.

- 5) What do you sense God asking of you to respond to him out of love (rather than the law)? How can you call on His name to be set free today?

Prayer Application: Pray for one another to practically pursue the freedom you have in Christ, asking God to remove any hindrances and direct you toward His will for your lives.

Mentoring

The Women's Ministry at Calvary seeks to connect women in rich, life-giving, one-on-one relationships through our mentoring program. It is such a blessing to get connected with another woman in our church and walk through life in biblical fellowship together for a season. If you are interested in receiving a mentor, or in being a mentor, our women's ministry team leaders can't wait to connect with you. Check out more information about the mentoring program at calvary.com/ministries.
